

Conditions Not Treated at EHS

- Emergency conditions: If experiencing an emergency, please call 911 or go to your nearest hospital's emergency room.
- Monitoring and treatment of chronic problems (like diabetes, asthma, high blood pressure, etc.)
- Non-work-related conditions that require x-ray or lab work
- Gynecological examinations or treatment
- If you are not sure if your problem is one we can help you with, just call us! If we can't help you, we can refer you to someone who can.
