WORKER'S COMPENSATION PANEL OF PHYSICIANS

This form must be signed even if you do not seek medical treatment.

If you wish medical care related to an on-the-job injury to be considered for payment by Workers' Compensation, you must seek medical care from one of the physicians listed below. Please have the name and telephone number of your supervisor available for the Receptionist. If you select treatment by your personal physician rather than choosing from the Panel, you must pay any expense incurred.

I have read the above instructions and have SELECTED a treating physician from the panel listed above.
Employee's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

I have read the above instructions and have REFUSED to be treated by anyone on the list.
I recognize that my refusal eliminates the County's obligation to pay for my medical expenses from this injury and that my healthcare program may not reimburse me for any emergency care or follow-up treatment. Should I decide to see a doctor at a later date for treatment, I will notify my supervisor and complete another Panel of Physicians form advising of the physician I have selected at that time.
